The image shows a terminal window titled 'edes_09@Redes09: ~'. The user 'Alfredo' is at the prompt in the directory '/home/edes_09'. They have entered 'exit' and then a series of sudo commands: 'sudo groupdel TeamScrum', 'sudo userdel -r Alfredo', and 'sudo cat /etc/passwd'. The output of the last command lists system users and their configurations. At the bottom of the terminal, a Windows taskbar is visible with various application icons and a system tray on the right showing the time '05:14 p. m.' and date '26/09/2025'.
